Within wireless coverage area only. Actual speeds may vary. Email, mobile number, and related information required for setup and activation. Required data services sold separately; unlimited plan recommended and may be required. Not all web content may be available.

1. Wireless connection requires wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors.
2. All talk and standby times are approximate and depend on the network configuration, the usage pattern of an individual user, and the configuration of the handheld. Use of wireless capabilities and backlight will significantly decrease battery run time.
3. Estimate subject to change based on system software and application usage.
4. Within wireless coverage area only. Voice-activated, as-you-go, turn-by-turn directions sold separately.
5. Within wireless coverage area only. Microsoft Exchange email, contacts, and calendar available for ActiveSync only; requires Microsoft Outlook using Microsoft Exchange Server 2003 with SP2, Exchange Server 2007, or Exchange Server 2010.
6. Within wireless coverage area only. SMS, MMS, and IM require data services at additional cost. Availability of IM functionality may vary by carrier.
7. HP Touchstone sold separately.
8. Wi-Fi within range of 802.11b/g/n Wi-Fi network. Some Wi-Fi hotspots may require fee for usage.
9. The mobile hotspot application requires a special data plan and is separate from your smartphone data feature. While HP mobile hotspot is active, on-device applications will continue to work and will use the same data plan as the mobile hotspot. Mobile hotspot data usage may incur additional charges. Check with your carrier for plan details.
